

Quality Policy

QSS-QMS is committed to providing Third Party ISO Registration Services and ISO Public Educational Training that meets or exceeds the needs and expectations of the customer. This commitment is implemented by adhering to the following principles: -

- Trained professionals assigned to every assessment
- Total Quality Management principles applied to all work activities
- Service as a way of life
- Technical competence
- Relevant, responsive communications
- Impartiality
- Fairness and thoroughness in Assessments

In summary, **QSS-QMS's** policy is to be the "Best Admired Registrar" in the Industry and

Our motto is ***"Your quality is our mission".***
